*Welcome to Let's Teach English. This series offers free online training for English language educators worldwide. Voice of America and the University of Oregon are partners on this project. In this lesson, the teacher show how to teach speaking skills.*

## Summary

In this lesson, the teacher helps students to overcome specific pronunciation problems. We join the class near the beginning of the unit, as they are talking about photos of different women. They have learned the new words in a previous class.

The teacher uses the learning strategy *personalize*. This strategy helps learners to relate new concepts to their own experiences. Students *personalize* as they identify their individual pronunciation challenges. The teacher offers methods to help them correctly pronounce their problem sounds.
