*Welcome to Let's Teach English. This series offers free online training for English language educators worldwide. Voice of America and the University of Oregon are partners on this project. In this lesson, the teacher presents the learning strategy summarize.*

## Summary

In this lesson, the teacher sets up a marketplace to use in a shopping role-play. We join the class as the teacher is reviewing common phrases for shopping exchanges. Students separate into groups using a method that requires them to talk with each other.

Students use new language in a authentic context through their role-plays. The shoppers and shopkeepers have different information. This creates a purpose for their communication.
